Investigations Branch & Intel Center Section, Critical Infrastructure Bureau, Cyber Threat Intelligence Unit, regarding "Jewish Voice for Peace (JVP)". Detective [REDACTED] advised he was preparing for a presentation ahead of the summer 2024 season for unsanctioned public gatherings for the NJSP Statewide call, and was interested in any intelligence collection regarding JVP. SIA [REDACTED] provided the below information to Detective [REDACTED]

b6
b7C

(U) At the federal level, FBI Newark is aware JVP is often referred to as an anti-Semitic hate group, active in Montclair, NJ. JVP does not always release their event information/protests more than an hour before their events, as part of their operational security measures and in an attempt to keep them from getting shut-down. FBI Newark sources have reported

[REDACTED]

(U) SIA [REDACTED] advised Det. [REDACTED] to reach out to FBI Newark SA [REDACTED] for additional information, as SA [REDACTED]

[REDACTED]

(U) After SIA [REDACTED] provided the information to Det. [REDACTED] he responded that NJSP received notification from NYPD and Port Authority that a potential public demonstration, likely coinciding with the 15 May "Day of Catastrophe" is imminent, and that based on current LE reporting, demonstrations at the Port of Newark and the George Washington Bridge will be held on 15 May. As no reporting indicated any calls to demonstrate, of concern was the group's MO to not offer advance notice.

Box 589, Berkeley, California, email info@jewishvoiceforpeace.org, telephone number 510-465-1777, regarding the information requested. On September 28, 2022 he telephoned JVP to schedule a possible in person interview; however, he was unable to connect with an employee. He then emailed JVP requesting to speak with someone that could provide answers to the questions being asked regarding the incident under investigation.

On October 7, 2022 [REDACTED] JVP, telephone number [REDACTED] email [REDACTED] left a voice mail on SA [REDACTED] desk telephone. On or about October 12th the parties spoke via telephone. [REDACTED] advised that JVP does maintain a physical office in Berkeley (NFD), and they do occasionally receive suspicious telephone calls and voice mails at this location. Moreover, she confirmed the Berkeley office telephone number was 510-465-1777. Generally, when they receive a suspicious or threatening voice mail, they preserve these. Thank you for contacting me last week. I'm sorry I wasn't in the office to take your call. When your time permits, please call my cell at [redacted] as I have a couple questions to run past you regarding an incident that you may/not have personal knowledge of. Shouldn't take too long.

b6
b7C

Also, if you have any doubts about my true identity/employment, please advise as I'm happy to address any such concerns up front. Generally, the FBI does not like to reach out to potential victims via email; however, occasionally it presents the easiest way of moving forward. You should never talk with anyone purporting to be an FBI Special Agent unless you're certain of their identity.

Appreciate your time.

To whom this may concern:

The FBI is investigating an alleged civil rights violation of 18 USC 245. In sum, the subject is believed to have made threatening telephone calls to certain Jewish institutions located throughout the nation, earlier this year. Investigators have uncovered evidence suggesting that this subject may have contacted your Berkeley telephone number (510-465-1777) as part of this antisemitic campaign.

Hi - apologies for the delay. No one at our office recalls a conversation like that on the date you gave us, and there are no voicemails that match either. Best of luck.
